Dear Wildcat Families,

Welcome to the 2021-2022 school year and welcome back to school! We are excited to greet our students again on campus in a few weeks. Our team has worked hard this summer preparing our classrooms and facilities for our students to return. We look forward to being with our students again as we continue toward our vision and mission, grounded in our BUHS Core Values: **Be Respectful, Be Responsible, Be Resilient, Be Kind, and Always Show Integrity.**

The first day of school is **Monday, August 23, 2021** with students attending classes in person all day. In order for students to have their schedule and be ready for class that day, there are a few things we need to do. This letter will outline our calendar, orientations, and registration process this year. We'd like to remind all families that while we will be back in person, we will still follow all CDPH guidelines related to masking. Please bring a facial covering/mask when coming to BUHS campus.

This year, **Registration will be BOTH online and by filling out a small paper packet.** We are working diligently to update our records this August and we need a few forms with signatures. The **Online Data Confirmation, Acknowledgments, & Authorizations** will be done online through our Aeries Parent Portal which opens on August 2nd. The **Paper Form Packet** will be available on the BUHS campus starting Monday, August 2nd. [You can also access the packet here to print at home.](#)
