**Attention Juniors:** Summer school applications are now available for those students who need to make up a class to meet an A-G University requirement or for students who need to make up a class to meet a graduation requirement. Space is limited, so you must come to the counseling center and fill out a request to see Mrs. Vega by this week. Once I get your request I will call you in and give you a summer school application. Las aplicaciones para escuela de verano ya están disponibles para alumnos que necesiten repetir una clase para ser elegibles a la universidad o alumnos que necesiten reponer una clase que es requisito de graduación. Espacio es limitado. Vayan a la oficina de consejería y llenen la forma para hablar con la Sra. Vega esta semana. Yo les mandaré llamar y les daré la aplicación para escuela de verano.

**TO TEACHERS:** Please keep all students in class unless called for from an office. If you have a student out on campus, please make sure that they have a pass. We will be sending students back if they don't have a pass. Seniors especially need to stay in class.
